

Technical Assistance for CDBG Funding

Assistance is available in preparing the Community Development Block Grant (CDBG) application. The Department of Housing and Neighborhood Development Staff is available to meet individually with anyone who needs assistance in completing the application. If your agency or group has never been funded with CDBG funds, you are strongly encouraged to contact the appropriate persons for assistance. Some projects require the applicant to contact specific individuals. Appointments may be required and can be made by calling the phone number by the staff person listed below:
